

Policies and Procedures

2019-2020

CheerBytes Productions, LLC

Rev. 3/19

Thank you for expressing your interest in Cheer Bytes Productions as your music source for the 2019-2020 cheerleading season! Below you will find procedures to obtain your mix and begin your phenomenal season! These policies and procedures were created for new and returning clients in order to help with the ever-changing sport of competitive cheer. Whether this is your 1st or 10th year with us, we ask that you please read over these policies and procedures as a lot has changed in the realm of cheerleading music.

Booking & Ordering:

Mixes will only be released on Fridays and each week has a limit as to how many mixes will be released. We strongly encourage you to book your mix in advance to better serve you and give you the best quality mix possible! Please visit cheerbytesproductions.com and fill out the order form. We will email you to confirm the best available date based on your order form. If the mix dates you have requested are not available, we will offer the next available date. You will also receive an emailed invoice.

We will only be accepting the CheerBytes 8-count sheet (or 8-count sheet of similar design) which will be emailed to you when your date is confirmed. We also encourage (but do not require) full length videos (no clips) of a mark through or performance performed to an 8-count track. All videos must be sent in .mov format. If you are recording from your phone, please hold the phone horizontally.

If you are unable to submit your 8-count sheet and song selections 14 days prior to your mix date or you would like to change your mix date, accommodations will be attempted pending availability. *Balance must be paid in full for rescheduling to be confirmed.

Only digital copies of the 8-count sheet will be accepted. Please do NOT take pictures of your 8-count sheet. Pictures from cell phones usually become distorted and difficult to read and **will** lead to delay in your mix. You can email your 8-count sheet to CheerBytes@gmail.com.

Song Selection:

In order to comply with USA Cheer music rules and US Copyright laws we will require each client, who wishes to have a copy written (radio) song in their mix, to visit our song vendor’s website, www.unleashthebeats.com, and see if a particular song is available. If it is available, then you may enter that song on the song suggestion form. If a song is not available, please make another choice. Cheer Bytes will provide proper licensing information for its clients to take to events.

We ask for a minimum of 5 song selections per routine. All song selections must be available through our music vendor(s). This no exception policy is meant to hold within compliance of USA Cheer and US Copyright laws. It will be the client’s responsibility to choose songs.

NEW TIER SYSTEM

We will now have two types of mixes available this season going forward. Former mix style will be known as **MEGABYTE** mixes. The **MEGABYTE** mix will offer cover songs, team and mascot voice overs (male vocal artist only), and stock voiceovers which are generic to any team. Our newest type of mix will be known as **GIGABYTE** mixes. The **GIGABYTE** mix will be a more customized mix for your routine which will include less cover songs and more CUSTOMIZED voice overs. These voice overs are specially made for your team/program and will only be used one year within your mix and your program if requested. Male and female vocal artists will be available in traditional style, rap, or singing. Team name and mascot voice overs are still available in **GIGABYTE** mixes.

In order to keep expenses and overall costs down for every client, each length of mix will include **UP TO** a specific amount of cover songs. Should you wish to add additional songs beyond your cover song max, you will be able to add those to your total purchase.

MEGABYTE MIXES		GIGABYTE MIXES	
Music Length	Cover Song Max	Music Length	Cover Song Max
1:30	5	1:30	3
2:00	7	2:00	4
2:30	8	2:30	5

Please keep in mind the following: Song suggestions will be considered by the music editor. There is no guarantee that the editor will use all songs within the song suggestion list. The editor will chose songs best fit for the flow of the routine as to better enhance the performance quality of your routine.

Payments:

The following methods of payment are accepted:

- PayPal*
- Credit Card*
- Check** made payable to "Cheer Bytes Productions"

Attn: Sean Barnette

****NEW THIS SEASON****

Mix release date will be pending until \$100 non-refundable deposit is paid. Should a release date become full and you have not paid your deposit, communication will be made and your mix will be moved to the next available date. Mix release date is ONLY confirmed up receipt of deposit.

NO PURCHASE ORDERS WILL BE ACCEPTED AS PAYMENT. No exceptions will be made.

**Checks must be received and payment cleared before mix is released.

The balance is to be paid 14 days prior to your release date. If the balance has not been paid 14 days prior to release date, the production of your music may be delayed until the full balance has been paid. If balance is not paid within 30 days of original release date, your mix will be terminated and no refund will be administered. All mixes have a no refund policy.

If paying by check, please double check the mailing address as we have moved from previous years. Mail will not be forwarded and will cause a delay in your mix release. School teams, please check with your business/administrative office to see the correct address is on file. Tax forms are available upon request.
